22nd of May 2015 | Protests on the occasion of the 10th anniversary of FRONTEX in Warsaw

With reference to several protests in Europe which have been initiated by the CISPM (Network in Germany for the International Coalition of Sans-Papiers Migrants and Refugees) more than 100 activists have demonstrated in Warsaw against the european border regime. Similar actions have taken place in Morocco and other countries – Afrique-Europe-Interact has supported this action.
